## A new, healthy way to fry!

### Smart Fry Tray

Try the new **Smart Fry Tray** and discover a new, **healthy** way to fry!

Just place your **food** in the tray, **brush** it with some **oil**, and put it in the **oven**.

# How to use it

1. Place your food in the tray and brush it with some oil.
2. Insert the SmartFry tray in the oven shelves and place a shallow tray on the level below to collect any residue.
3. Start the dedicated cooking function.

## Cleaning and maintenance

Clean the SmartFry tray using a damp sponge.

NOTE: Do not leave the tray inside the oven during the pyrolytic cleaning.
